

Los Alcázares Digital Camera Club

Monthly Competition Rules (December 2022)

The aim of the monthly competitions is to encourage members to learn more about digital photography and to improve their photography and editing skills.

General rules

- Images may only be entered by paid-up members of the Los Alcázares Digital Camera Club
- Members are entitled to enter 2 images in each competition

Format and presentation of images

- Images may be edited at the discretion of the photographer. Nothing may be added to or superimposed upon the original image.
- Images should be taken specifically for the competition (not old images reused)
- All images should be submitted in JPEG format
- All files should have a short title and the initials of the member submitting the image (the identity of the member will be removed prior to judging)
- All files should be submitted electronically to webhostladcc@gmail.com (Ron Odell, competition administrator) by the required entry date. This is usually the Sunday before the club competition meeting.

Judging the images

- Images will be available for judging on the website prior to the meeting (This enables remote members to continue to participate in the competitions)
- Only members who have submitted images are eligible to vote
- Members select a first and second placed image and emails their selections to the competition administrator prior to the meeting.
First placed images are awarded 2 points; second placed images are awarded 1 point.
- The competition administrator totals the number of points allocated to each image; the winner is the member with the most points
- Members review and critique the images during the meeting
- Individual points scores are totalled throughout the competition year (January – December) and the overall winner receives a trophy.
